CHALLENGES AND SOLUTIONS FOR COMBATTING POACHING AND ILLEGAL WILDLIFE TRAFFICKING IN CENTRAL AFRICA

Emma J Stokes PhD, Wildlife Conservation Society
wpc.wcs.org
The Facts

Devastating Decline of Forest Elephants in Central Africa

The Problem
The Problem

% Elephant deaths from poaching 2013
(CITES/MIKE & WCS)

Corruption Perception Index 2013
(Transparency International)
Solution: National commitment
Solution: Strengthening protected area management
Solution: Strengthening criminal justice system
Solution: Monitoring and accountability

% Poachers arrested

2006 2007 2008 2009 2010 2011

0% 0% 91% 100% 82% 79%
Solution: Global policy

Success stories

Elephants secure in Conkouati-Douli National Park, Congo

Elephant populations stable in Nouabale-Ndoki National Park, Congo
